The Gazette
Jeff Thomas, Managing Editor

Dear Mr. Thomas:

I contacted The Gazette on March 29, 2010 regarding allegations of judicial and professional misconduct in the handling of my child support modification case and provided my 32-page affidavit. The Affidavit will be subjected to continued review and will be updated. I have attached numbers 140-144 of the continued affidavit because the corrections pertain to the original affidavit provided to the Gazette and Chief Judge Samelson only. The Chief Judge will not be copied today and neither he nor The Gazette will be updated in the future.

Sincerely,

R. Wayne Johnson
