RE: Policy Studies, Inc. (PSI)

Dear Agency Representative:

PSI provides child support collection services across the United States and gives special recognition of its relationship with Tennessee on its website. As a concerned citizen, presently engaged in a legal dispute with PSI, I feel obligated to share my experience with your division as a government agency, so you have an understanding of why private contracting may not be in the best interest of your state or its citizens.

The affidavit referenced in the copy of the enclosed document is not enclosed.

Please treat this information with the confidentiality it requires. No response is necessary.

Thank you for your time,

R. Wayne Johnson
